Listings by portal and publishing status

PORTAL	LIVE	PENDING	REJECTED
Bayut	4	0	0
Skyloov	1	1	0
Dubizzle	1	1	0
PropertyFinder	4	1	0

NOTES AND DEFINITIONS

1. Leads are counted by the date they were created. A lead that enquired through several channels is counted once per channel in the source table.
2. Win rate is deals won divided by deals won plus deals lost. Open opportunities are excluded.
3. Viewings are counted by their scheduled date within the reporting period.
4. Inventory and portal tables show the position at the time of generation and are not limited to the reporting period.

Confidential. Prepared for internal use.

DOWNLOADABLE GUIDES

Guide pages were viewed 794 times, producing 48 requests (6.5% of views of form-first guides). 37 of those were downloaded. The strongest guide was "The First-Time Buyer's Guide" with 15 requests. 30 of 61 new leads in the period first arrived through a guide.

NOTES AND DEFINITIONS

1. A request is one completed form. A download is counted each time the personal link or an open download is used.
2. Views are daily totals and do not identify visitors. Leads reached viewing include later stages.
